

the better way to water

Selecting the right tap timer

When you're busy, you don't want watering to hold you up. With a tap timer, you can simply set when and how long to water. And that means you can keep your garden healthy and happy even when you're away from home.

Choose the right one for you!

Automatic

- Easy to use ✓
- Needs batteries ✓
- Connects to tap ✗
- Set run time ✓
- Multiple programs ✓
- Low pressure options ✗

Semi-Automatic

- ✓
- ✓
- ✓
- ✓
- ✗
- ✓

Manual
